

Lynn Smith, Computer Systems Operator, came before the Board to discuss the maintenance contract for the AS-400. Our contract with IBM has expired. IBM is offering one but Infnitec will sell us a maintenance agreement for less. They will offer a one year maintenance agreement for \$2,000 or three year agreement for \$5,684. No action.

Judy Richey, Multi-County Health Department, spoke to the commissioners about appointing someone to the board. She said that Dr. Jay Allen would be happy to serve. She asked that the commissioners appoint someone and send a letter to the Iola Health Office notifying them of the appointment. No action at this time.

After routine business the meeting adjourned at 2:30pm.
