The Bourbon County Commission met in open session with all commissioners and the county clerk present. Minutes of the previous meetings were read and approved.

Marty Pearson gave a road report. He also reported on the damages in Bronson from the storm on Wednesday. He told commissioners he needs a camera to document damages and to help him remember things about projects and what needs done when he happens upon things.

Judge Ward and Karen Paddock presented the 2010 District Court budget request. They reviewed some of the line items, mentioning the increase in jury trials increases other expenses, like postage.

Bob Marshall thanked commissioners for their prompt attention at erecting signs on 240th Street. Marty mentioned that he will put a 20MPH sign from the north at the curve so it matches the south.

Lee Davis called in phone quotes for 200 Gallons of generic Round Up. They were:

Van Diest	\$20.17/gallon = \$4,034.00
Crop Protection Services	\$21.50/gallon = \$4,300.00
Vegetation Management	\$19.25/gallon = \$3,850.00

Jingles Endicott made a motion to purchase from Vegetation Management. Harold Coleman seconded the motion and all voted in favor.

Jack Black presented commissioners information about agricultural bills.

Susan Quick presented the 2010 proposed budget for the Treasurer's Office.

Shane Walker discussed the computer budget. He and the department heads have discussed removing the computer capital outlay purchases from their individual budgets and putting them in the computer fund.

Joanne Long presented the County Clerk, Election, Commissioner, Coroner and Courthouse General Fund budget proposals for 2010. She also asked that consideration be given to increasing the Personnel
