

September 27, 2004 Monday 9:00 am

The Bourbon County Commission met in open session with all commissioners and the county clerk present. Minutes of the previous meeting were read and approved.

David Neville discussed the need for a smoke detector in the kitchen area of the correctional center.

Laura Hyer asked commissioners to sign a letter appointing her as Bourbon County Emergency Preparedness Coordinator. Commissioners signed the letter.

Clyde Killion gave a road report.

Charlie and Arlone Blevins met with commissioners to request a fence viewing on their property line with Rick and Lisa Nation. Though the fence viewing laws only require two commissioners, the Blevins' paid an additional viewing fee to have all three commissioners present for the fence viewing. They also request the presence of Roger Lee to view a drainage issue at the same time. Commissioners set the time for the fence viewing for 10:00 am, Monday, October 11, 2004. All parties will be notified of the fence viewing by certified mail.

Lisa Nation and Judy Duffy met with commissioners regarding the dispute with the Blevins' over the fence. Commissioners informed Mrs. Nation of the fence viewing time. Mrs. Nation was glad to hear that Roger Lee would be there as well.

After routine business, the meeting adjourned at noon.
