

Ann Ludlum and Delta George presented commissioners with their annual reports from the Extension Office. Ms. Ludlum also noted that she may have some old office furniture for the county to include in a future auction.

Ross Schwalm spoke to commissioners. He is an employee with the Road & Bridge Department and has been off work for health reasons. He is hoping to get released from his physician and come back to work soon.

Joanne Long relayed information from Terri Johnson regarding what changing the makeup of the Fire District 3 Board would entail.

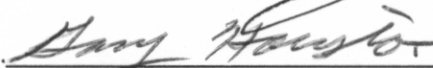

David Neville reported that he spoke with the Fire Marshal's office. They will extend us to April 17, 2004. The job must be completed by that date. He also stated that Bourbon County can purchase the approved plans from All Systems for \$3,000.

Dean McFarland, Kirkpatrick Pettis, spoke to the commissioners. He asked if Bourbon County had any plans to expand the jail. We do not.

After routine business, the meeting adjourned at 11:25 am.
