

Lee Davis met with commissioners with two quotes for a furnace at the Noxious Weed barn. They were:

Stoughton, Inc.	Sterling 125,000 BTU \$1,425.10
Norris Heating & Air	Lennox 125,000 BTU \$1,660.00

No action at this time, as commissioners would like to know more about the Sterling brand.

Commissioners discussed placement of barricades during the high water this week. Sheriff Coleman received three complaints of barricades located right before the high water, instead of at the beginning of the road. The drivers had to turn around and find another route. Commissioners discussed possibly putting barricades at the beginning of the intersection of the road and at the high water.

Laura Hyer discussed the declaration of disaster from Governor Sebelius in Bourbon County this week. She felt that everyone did a great job and felt it was a good exercise for her to see how everything works.

Lynn Smith presented two quotes for wiring in the Clerk and Treasurer's Offices. They were:

Midwest Data Communications	\$4,250.00
Brock Electric Company, Inc.	\$4,455.00

Terry Graham made a motion to accept the quote from Brock Electric. Gary Houston seconded and Graham and Houston voted in favor. Robert Query voted against the motion. Motion passed.

Ms. Smith also spoke to commissioners about the possibility of obtaining high speed internet service for the courthouse. She has spoken to Cebridge Connections and RTS Microsystems. Commissioners asked Ms. Smith to speak with District Court and the County Attorney's offices that currently have Cebridge Connections. No action at this time.

Lynn Smith then spoke to commissioners about the rising cost of health insurance. The renewal rates for her spouse's coverage will cost her approximately \$70 more each month over last year. The proposed raise the commissioners are considering is for \$50 per month. The health insurance has gone up each year, along with the
