

Terry Graham made a motion to appoint the following to the Fire District 3 Board as Trustees and Alternates:

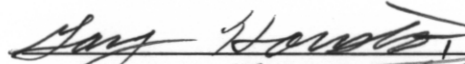

Station	Trustee	Alternate
Bronson	David Edwards	David Harper
Devon	Mark Crystal	Steve Herring
Fulton	Marty Messer	William Rost
Hiattville	Jerry Page	Louella Howard
Mapleton	Mike Hueston	Marty Crystal
Uniontown	Alvin Beerbower	Larry Arndt

Gary Houston seconded the motion and all voted in favor.

Joanne Long spoke to commissioners about the difference in the office staff's pay between the Appraiser's Office and other offices. In 1996, when Maxine Drake retired, part of her wage was distributed to the other office employees and the position was not going to be re-filled, but it has been re-filled and the wages are still higher than the other offices.

After routine business, the meeting adjourned at noon.
