

Commissioners reviewed two price quotes for an oil burning stove at the county barn. They were:

Hy-Flo Equipment Co.	Reznor model RA235 for \$6,500.00
C.W. Rhoton	Lanair model HI-260 for \$5,890.00

Commissioners approved purchase of the Lanair from C.W. Rhoton of Bronson, for \$5,890.00. Commissioners are still negotiating the installation.

Hubert Thomas presented commissioners with an agreement between RWD 2, Bourbon County and the Marmaton Watershed over responsibilities at Cedar Creek Lake. Robert Query made a motion to enter into the agreement. Terry Graham seconded and all voted in favor. Commissioners signed the agreement. Mr. Thomas will have the other two parties sign the agreement and return a completed copy for our records.

Joanne Long reported that a company is interested in quoting the county prices for telephone service, including long distance rates. They would like a copy of our most recent phone bill. Commissioners authorized the clerk to fax the bill with the prices blanked out.

Doylene Kennedy asked the commissioners about a person renting Shelter House #1 at Elm Creek Lake and the surrounding land for an entire weekend. It is for a charity fund-raising event. Commissioners told her to charge \$100 flat fee.

Ms. Kennedy also mentioned to commissioners that she needs to change out all her files for the year-end but cannot do it with her injured arm. She would like to hire her daughter to help her. After discussion, commissioners authorized Stephanie Lockwood to assist her mother in changing out the files for a fee of \$50.

After routine business, the meeting adjourned at noon.
