

January 14, 2008      Monday      9:00 am

The Bourbon County Commission met in open session with all commissioners and the county clerk present. Minutes of the previous meeting were read and approved.

Bills and payroll for the period were reviewed and approved.

Clyde Killion gave a road report. There was discussion of rock production. He said there are lots of out of state C&D at the landfill because we're cheaper than where they come from. He asked commissioners if we should raise the rates. No action.

Susan Quick met with commissioners to discuss her Treasurer wage. She presented a copy of the minutes from February 16, 2007, where it was supposed to be corrected. It was only partially corrected and she would like it to match the Register of Deeds base wage and be retroactive to January 1, 2007. Terry Graham made a motion to amend the Treasurer's salary to match the Register of Deeds salary, retroactive to 1/1/2007. Bill Brittain seconded the motion and all voted in favor.

David Neville spoke with commissioners about parking for deliveries. He also said the City is unhappy about our plans for the trap in the sewer. Commissioners advised David to have the plumber talk to Amanda Proffitt at the City.

Jimmy Nichols met with commissioners about medical costs being on the rise. He asked if he can meet with the Sheriff at Allen County to see how other counties are handling things. Bill Brittain told Mr. Nichols to contact Judy Moler at KAC.

Mr. Nichols is also looking for a vacant building for CERT training. Commissioners advised him to call Clyde about a building we own that might work.

Harold Coleman informed commissioners of prices for locks for jail doors. They cost \$928 from Montgomery Door Closing Company. Commissioners approved the expense.

Bill Brittain informed the sheriff that we're waiting to hear from a different architect on the jail project.
